SERIES SPECIFICATIONS

The Centaur ceiling fan and light fixture support box with side mount bracket is an ideal choice for installation during new construction or re-modeling. It features an all steel, 21.5 cu. in., direct-mount electrical box. The 2 1/8" deep box comes standard with slide select 8-32 threads for cover plates and light weight fixtures as well as 10-24 threads for ceiling fans and heavy fixtures and will support fans up to 70lbs. and light fixtures up to 150lbs. The steel protective cover eliminates debris or damage to wiring.
